Welcome Shooters

To the 2018 International
Defensive Pistol Association
National Championship!

Let our sponsors know that
you appreciate their generous
support!

IDPA Championship Participants,

Welcome to the IDPA US National Championship in Talledega, AL!

IDPA Headquarters is thrilled to be bringing the Championship to this amazing facility. We greatly appreciate the Civilian Marksmanship Program facility for agreeing to host the match this year. Please take a moment to thank them. The CMP range is an awesome facility that hosts a number of great matches throughout the year.

Chad Barber is our Match Director for this year's match. He has great experience with matches and has hosted the Smith & Wesson Winter National Championship. He is a long time IDPA competitor and has worked several previous National Championships as a CSO and MD. He and his team have put together a fun and challenging IDPA match for your enjoyment. He has selected stages that will test your skill and ability. There will be 18 stages of fire requiring 275 rounds to complete, but that is only if you don't miss.

We have expo bays, stage sponsors and vendors in the tent area. Please take some time to visit these great sponsors and see the gear they have to offer. Also please take the time to thank all of our other sponsors listed here in the matchbook. Their generous support helps to make this match happen. You will find all of our sponsors' contact info in this book and may run into their representatives here on the range. When making your next shooting related purchases, please remember to help support those that support you.

Also please take a moment to thank Chad and his talented AMD's, CSO's, SOs and staff for all of their hard work in putting this match together. It is a hard job and a heavy responsibility and we know that your words of thanks will be much appreciated.

We hope that you enjoy the match and all the different hospitality opportunities available to you this year. We are committed to making this a fun, challenging and memorable event. We would love to hear your input but we do ask that you do it at the hospitality rooms or dinner and not on the firing line. We want you to help us continue to improve the sport, but please keep in mind the needs of your fellow competitors.

Have a great match and good luck.

IDPA Headquarters
